Notes

On this morning after breakfast, you will be transferred to the airport for your Charter flight to Chilo Gorge for your 3 night stay on a fully inclusive basis.

Overnight: Chilo Gorge Safari Lodge

The main Lodge is constructed in stone, thatch, ancient leadwood and teak, to blend effortlessly with the surroundings. We have extended the outside wooden decking areas as part of our refurbishment, to create a spacious and serene viewing platform down the gorge, across the Save River into Gonarezhou.

Whether you choose a refreshing dip or to relax on a pool lounger with a drink, our swimming pool is positioned perfectly with some of the best views in the Lodge.

During the winter months, guests enjoy swapping safari stories around our fire pit or head upstairs to our Library, which contains a large selection of wildlife literature and has plenty of quiet corners for guests to curl up with their favourite book.

Our beautifully appointed, thatched Luxury King/Twin Lodges are largely inspired by nature, but with a designer's passion for elegance, simplicity and luxurious touches. Locally crafted intricate reed weaving, individually carved jacaranda headboards, luxurious cotton bedding, and a mini bar have all been carefully chosen for your comfort and enjoyment.

Each Lodge has its own private balcony offering spectacular sunsets and the opportunity for you to relax watching our resident elephants, crocodiles and hippos in the deep river trench that flows all year or to observe the diverse number of other river visitors through the day.

Each Lodge provides:

- Spectacular views
 - Private balcony and seating area
