### Overnight: Bumi Hills Safari Lodge

Bumi Hills Safari Lodge and Spa boasts one of Africa's finest wilderness locations with an elevated position on a range of remote hills overlooking the vastness of Lake Kariba. Bumi is situated near the North Eastern border of the Matusadona National Park and is easily accessible by light aircraft and boat, allowing you to be swiftly transported into paradise without the stress of a long journey.

The safari lodge has a total of 10 rooms, all with views over Lake Kariba. All rooms are premium rooms with balconies and uninhibited views over Lake Kariba. There are garden rooms available too, reserved for guides and tour leaders, with slated terraces, set a little way back behind and on a level above the premium rooms. Taking centre stage is the beautiful infinity pool that seems to blend endlessly into the lake horizon. The pool is surrounded by intimate wine and dining terraces on different levels. The lodge interiors have been beautifully finished in a fusion of contemporary western and African styles.

Bumi Hills Safari Lodge is situated on an extensive wildlife conservation area. Bumi Hills is home to lion, leopard, big herds of elephant and buffalo, as well as a multitude of different plains game.
