Victoria Falls Guided Tour

A view of the Victoria Falls is something you will never forget and the best way to see them is on a guided tour. Discover how the Falls were formed and what local customs and traditions surround them. These tours are extremely informative and end with a visit to the local art and crafts centre.

Zambezi River Dinner Cruise

Enjoy the best of both worlds, a spectacular Zambezi sunset cruise followed by a four-course meal, freshly prepared on-board by our chefs, and served to you while cruising along the river with the sounds of the African bush providing your background music.
